

TEAM MENTALITY

Once you join Ziegler, you're not confined to one job. We recruit the best people available and place them in positions that best suit their skill sets and areas of interest. You may start as a technician and decide that sales is your cup of tea. A customer service support representative may evolve into a product specialist.

New opportunities and avenues for professional growth are always a part of being on the Ziegler team.

JOIN OUR TEAM!

THE RIGHT OPPORTUNITIES FOR YOU

Widespread growth in the ag industry has created a huge demand for qualified professionals. At Ziegler, we are committed to providing the best products and service available on the market today. In order to continue building upon our reputation in the industry, we are always looking to bring in **THE BEST AND THE BRIGHTEST.**

Your Success Is Our Success

Your first job at Ziegler is just the beginning. Countless opportunities await you.

TWO-YEAR DEGREE: Start in the shop. Want more customer interaction? Learn the products and become a customer support representative (CSR). A new product catch your eye? Ziegler is always looking for qualified specialists to create solutions for farmers. Find your niche and become more than a worker, become a valued *resource*.

FOUR-YEAR DEGREE: Roll in as an ag trainee, move up as a territory manager or CSR or technology specialist or marketing specialist or ... you get the idea.

Our Team

We recruit people, not degrees. We have sales representatives and CSRs with engineering, history, finance, international business, teaching, and Spanish degrees. These varied backgrounds are what make our team unique.

Ziegler Ag Equipment works in concert with the construction, rental, power systems, and product support divisions within our company. This diversity fosters opportunity while constantly keeping the company vibrant and viable.

The Ziegler team was built on the values of *integrity, professionalism, commitment, continuous improvement, and customer focus*. These values are not merely slogans; they govern the direction of our company today as we move into the future.

About Ziegler

Established in 1914, Ziegler is one of the largest and most successful Caterpillar® dealers in the United States. The Ziegler Ag Equipment division, which spans Minnesota, Iowa, and Wisconsin, represents Challenger® tractors, combines, and hay equipment; LEXION® combines; RoGator®, TerraGator®, and Spray Coupe® application equipment; Sunflower® tillage equipment; and White Planters®.

Ziegler Ag Equipment has state-of-the-art facilities with the latest in shop technology and ergonomically designed work spaces. After nearly 100 years in business, we are still grounded in our commitment to our customers and our employees.

SAMPLE JOB REQUIREMENTS

Ag Trainee

RESPONSIBILITIES:

Ag trainees spend up to six months in our agricultural division learning about parts, service, sales, credit, and other administrative functions. Upon completion, trainees are placed in a position that best fits their interests, as well as the company's needs.

REQUIREMENTS:

- Bachelor's degree
- Agricultural experience
- Excellent communication skills
- Strong mechanical aptitude

Ag Technician

RESPONSIBILITIES:

Technicians must provide high-quality troubleshooting and repair service on ag equipment in a shop environment; respond to customer needs in a positive, supportive, and timely manner to ensure maximum value for work performed; and communicate job progress with supervisors and customers as required.

REQUIREMENTS:

- 2-year technical degree in ag-related discipline
- 2+ years of relevant experience
