

MUD BUCKET®

Skid-Steer Concrete Hauler

Reduce Manual Labor

The Mud Bucket® reduces back breaking manual labor and eliminates the need to use a wheelbarrow.

Hauls up to a 1/2 yard of concrete based on your loader capacity. (.3823 m³)

The hydraulic gate unloads your material with no additional labor.

Great Value

The Mud Bucket is the ultimate value. Our Mud Bucket concrete hauler will put more dollars in your pocket by reducing labor costs and helping you get the job done on time.

You can count on Loegering for the quality and service you need when you want it.

MUD BUCKET is a registered trademark of Loegering Mfg. Inc., Casselton, ND 58012

Reduce Costs

Loegering's Mud Bucket will accurately place your concrete. The Extension/Reduction chute reduces to 9" wide opening. (228.6 mm)

No spillage, the Mud Bucket is designed to hold your concrete. You can be confident crossing almost any terrain. Works great in small, tight areas.

Easy to Use

- ◆ The Mud Bucket is easy to operate.
- ◆ Easy to install and attaches to all popular skid-steers.
- ◆ Transports easily and cleans up great.
