ZIEGLER AG EQUIPMENT

FERRIS ZERO TURN MOWERS

ZIEGLER
AG EQUIPMENT

400S

POWER

Briggs & Stratton® Commercial Series engines to conquer all kinds of terrain.

SMOOTHER RIDE

A large, independent coil-over shock rear suspension system keeps the mower steady, so you can stay comfortable while mowing all day.

CUTTING WIDTH

Cut with a 48" deck for the added flexibility to handle a wide range of conditions with ease.

S SERIES

Ferris made the S Series for those who need their mower to take on a little bit of everything. This zero turn workhorse has industry-leading suspension technology, serving up cut quality, comfort, and durability for professionals and homeowners alike. It's built to be more affordable, so more operators can experience a superior cut.

25 HP* 48" DECK

Briggs & Stratton
Commercial Series
Model 5901775

\$4,799.00

21.5 HP** 48" DECK

Kawasaki® FR651V
Model 5901705

\$4,799.00

» Patented suspension system

Front and rear adjustable shocks allow the wheels to follow the ground for faster mowing speeds with a consistent cut quality

» Fabricated 10-gauge steel deck

Double top deck, overlap welded corners, and double reinforced side skirts, steel reinforced leading edge

» Hydro-Gear ZT-2800® transaxles

Dual-commercial transaxles with 7" cooling fans to repel debris

» Cast aluminum spindles

Greaseable bearings provide a longer usable life

» 20" turf-friendly rear tires

» Ground speeds up to 8 mph

Cover more grass in less time for increased productivity

» Fuel capacity of 5.5 gallons of unleaded gasoline

» Foot-operated deck lift

An adjustable pedal changes cut height in ¼" increments from 1.5" to 4.5"

Available accessories:

Collection systems, mulch kit, trailer hitch kit, LED light kit, service jack

* Power levels are stated gross horsepower at 3600 rpm per SAE J1940 as rated by Briggs & Stratton.

** All power levels are stated gross horsepower per SAE J2723 as rated by Kawasaki.

IS[®] 600

The IS 600 provides commercial components at an amazing value for landscapers and small-to-medium-sized property owners.

IS SERIES

There's no need to get beat up on the job. The Ferris IS Series commercial mowers feature a patented suspension system that allows each wheel to follow the terrain. This not only reduces the shock to the chassis, but also on your body — allowing you to finish the day feeling good. With powerful engine options, including diesel, there is a unique solution for fleets and owner-operators.

ISX™ 800

The ISX 800 is the first zero turn offered in the ISX family with full commercial performance and ForeFront suspension technology equipped with medium-sized shocks tuned for ultimate comfort.

ISX SERIES

The next generation of suspension — ForeFront Suspension System — takes Ferris' leadership in suspension technology for the turf industry to the next level. A premium, cushioned ride reduces shock to your body — as well as the mower — and allows you to mow faster and get done quicker. This gives you more time to focus on the things that matter.
