CAT

CAT

TO ORDER CAT PARTS FOR CAT EQUIPMENT
Find part numbers and place your order on **parts.cat.com**.

parts.cat.com

Caterpillar's primary parts catalog source provides parts numbers and diagrams. The site also displays the Ziegler parts inventory and pricing and allows parts ordering.

» First-time users need to create an account by visiting **parts.cat.com**, selecting the nearest Ziegler location, and completing the required fields.

CLAAS

CLAAS

TO ORDER CLAAS PARTS FOR CLAAS EQUIPMENT
Find part numbers on Parts Doc Online.
Place your order on **parts.cat.com**.

Parts Doc Online

The CLAAS primary parts catalog provides parts numbers and diagrams for harvesting machines and tractors.

» First-time users must be given access by either their Ziegler Ag Equipment Sales Representative or Customer Support Representative.

» Once registered, you will receive a link from CLAAS to access Parts Doc Online. Parts Doc Online is also accessible by visiting **www.claasofamerica.com/parts-service-19/parts-doc-app** and clicking "Login" in the "Registered users" section.

AGCO PARTS

AGCO

TO ORDER AGCO PARTS FOR AGCO EQUIPMENT
Visit **parts.agcocorp.com**, or
find part numbers on **www.agcopartsbooks.com** and place your order on **parts.cat.com**.

parts.agcocorp.com

» First time users have the option to search and place orders as a "Guest" or, if they are an existing Ziegler customer, use their Ziegler account ID number. Registering with a Ziegler account ID number allows for faster checkouts, saving specific machines and provides easy access to previous orders when returning to the site.

New users that would like to get set up with a Ziegler account ID number should contact their local branch.

» Once registered, click "Select a Dealer," enter the zip code of the nearest Ziegler location, then click "SELECT" on your preferred branch. This important step will allow you to see updated pricing and exclusive Ziegler discounts in your cart during each visit.

www.agcopartsbooks.com

AGCO's primary parts catalog provides parts numbers and diagrams for all brands of AGCO equipment.

» First-time users will need to request a login by visiting **www.zieglercat.com/agcopartsbooks-com-login-request/**.

» Users can also sign in as a guest by selecting "**View Books**." *No username or password required when viewing as guest.*
